

Survey to Specialists - Referral from PCPs

Survey to specialist physicians regarding referrals from primary care physicians

Dear Specialist Physicians,

We are taking a brief survey to better understand current referral patterns from Inspire PCPs and make necessary changes/improvement if required.

1. Is the reason for the referral clear?

- Yes
 No
 Other

Other (please specify)

2. Are appropriate documents/results included or accessible at the time of referral?

- Yes
 No
 Other
 Other (please specify)

3. For commonly referred issues, have appropriate therapies been tried first? Have appropriate tests been ordered? Have tests been ordered that could have been omitted prior to referral?

- Yes
 No
 Other

Other (please specify)

4. Are there particular physicians or groups from whom information or appropriateness of referral is a recurrent issue?

- Please write your answer in the box

List name/names of PCPs
