

## **MSSP ACO - Preferred Skilled Nursing Facilities:**

**Inspire Health Partners has designated the following 4 skilled nursing facilities from Bartholomew County as preferred facilities consistent with applicable law in an effort to increase quality of care, promote the efficient use of healthcare resources in our community, and work to increase patient satisfaction with their health care providers across the continuum of care. These facilities, along with Inspire Health Partners, look to reduce unnecessary hospital admissions and readmission, promote the coordination of care between and among the skilled nursing facilities and other providers in the community, and provide better reporting of health care data among providers involved with each patient's care.**

**1) Silver Oaks**

**2) Four Seasons**

**3) Willow Crossing**

**4) Columbus Transitional Care**
